“ My condolences go out to the family during this difficult time. After some family loss, Auntie Edy who is a good friend of my mother became a motherly figure for me. We had become really close and talked on many occasions. We both love clothes and shopping. She has been a shoulder to lean on. My heart aches to know that I am not going to be able to hear her voice. I love you Auntie and I already miss you dearly. .Sonya Tiggs
