“ To the German family I would like to say that I am so sorry for your loss. My God be with you in this time of your life. I just feel so bad because this is a baby and I do not know what happened to him but, it makes me think about my 2 sons who have a problem with Loving on one another. Me knowing time is too short for the ugly things one want to bring to the table. I Pray your strength at this time and I KNOW that God will see you through holding and embracing you every step of the way. Even when you think he is not there he is caring you all the time. Even Now! God is Good and I do not know you but, my heart goes out to you and I Love and remember to keep God first. Hope I have said something to make your day much better. It's all in devine order! It takes time this is fresh just Trust God. Love you and Be Blessed!
