“ Mrs. McDonald was a gift to everyone who met her a beautiful person inside and out. She always showed up for us girls in her daughters orbit. There are words and wisdom she provided that still stick with me to this day even as I am a mother to my own children now. She has a permanent place in my heart. I am lucky to have known her and will treasure every memory of her for the rest of my days. To the McDonald family I know words just can't say enough right now. But please know that we mourn with you and pray for your strength through this painful loss. Love, Lisa and Debra and the rest of the Buford/Dennard family
