“ Dear Granny,

I want to say thank you. Thank you for raising me, for loving me, and for blessing me with the tools I need to make it in this world — with or without you.

You were my guide, my safe place, and my greatest teacher. So much of who I am is because of you. You taught me strength through your quiet resilience, love through your actions, and wisdom through your words — even when you didn't say a word.

I miss you every day, but I carry you with me. In how I walk through this life. In how I treat others. In the way I get back up when life knocks me down.

That's all you, Granny. That's what you gave me.

Even though you're not physically here, I feel you. And I always will. Your love didn't end — it just took on a new form.

I love you, and I always will. Thank you for everything.

*With gratitude,
Your baby - Kendre'*
