“ Elton will be sorely missed, our careers at the Sheriffs Office crossed over the decades. He was proud of his children and his family. He would make me smile as he arrived on a call to back me up and he would silently sing “When Captain America raised his mighty shield, and ask what ya got” chuckling ready to assist. He was a man on the job or in retirement who always made me smile when our paths crossed his handshake and hugs were cherished. God bless those who have lost his support and guidance. We will meet again.
