“ With sympathy during these sad times when words of comfort don't seem to be enough, may you find comfort in the Father of tender mercies and the God of all comfort, who comforts us in all our tribulation and who is always near.

“ Dearest Karen, Melinda and grandchildren
Words alone cannot express our sympathy on the untimely death of your mother. To say that her time with us was far too short is an understatement. The reality is that she will be sorely missed by all who loved and knew her.

No doubt the outpouring of sympathy you have received since her parting has been of some consolation. Hopefully it will serve as a reminder to you of how well-loved she was.

I hope that you will find peace and comfort in knowing that her suffering is over and that her just rewards await her.

May God bless you.

Yours in Faith,

Emma

“ Karen and Melinda, your Mom thought the world of her girls, and it was nothing she wouldn't have done for you all. Jean and I worked together at St. Joseph. While at work she would often offer her assistance, and she was a beautiful person, whom I had the pleasure of knowing. Although it had been many years since I last seen her, I would often think about her.

“ Karen and Melinda, my heart goes out to you young ladies, continue to love and take care of each other. Your mom was the BEST. She reminded me of my mother so much. I will truly miss her (harassing me to get off my butt, out of the house and participate in POLITICS:)We would talk hours about politics. Jean believed in FAMILY. Ladies I know she loved you both dearly, because we'd talk about our children, her grand (great)children for hours at a time. I love you young ladies very much, "stay strong and keep it movin" Your MOM is up there keeping them on their toes:) Luv Ya! Cousin Cookie

“ I want to express my sorrow over the loss of your loved one. Losing a loved one is something we all wish we never had to go through. Thankfully, within his word the Bible, God promises us that soon "death will be no more". He also gives us the hope of seeing our loved ones who have already fallen asleep in death (Revelation 21:3,4 John 5:28,29). Again my condolences.
