“ I will always love Erica she always shined, she was a very important part of my life, we shared many laughs and we cried many losses together. Today the loss of her is so great it is just infathomable, we are so very sorry, it comes from so deep in our hearts and souls for it is our loss also. Her children are such a blessing to us, she was a wonderful mother to Joseph and Corey they were her life. Our lives have changed forever and I hope you can find forgiveness in your heart, rest in peace my dear niece Erica, until we meet again, I love you.

“ Loving, caring such a beautiful hearted woman. My life was touched by you at such a young age. Being your neighbor was a blessing because you showed me the simple things as we shared memories growing up. You will never be forgotten.

To the family of Erica she always had a very good personality and smile. Erica was a very good student at Pontiac Central high school, she would be in the media center every day doing her lesson. God bless you all, Erica will be truly missed in my heart she one of the shining stars that made PCH a wonderful place to teach. Thank you Ms. Y.Johnson

“ *Erica was a friend of mine since Junior high and even after we graduated High School we would see each other out and talk for an hour or so. My heart is heavy for the lost of a friend. I remember we played Basketball together at Pontiac Central. Erica and I use to meet up at Cheerylawn Park in our neighborhood and she would teach me how to shoot. She was a beast on the courts! Erica was laid back and she was a true friend. Prayers go out to her two son's and her mother Rhonda. This is such a tragedy 😭

Words can not express my sadness and pure shock knowing you are gone, imagining what you had to have endured and the reality of your son's losing their mom. I wish we could go back in time and could have prevented this from happening, I wish I could IM with you, talk to you at Kroger, see you at school, come to each others kids parties, field trips, etc. You were one of the sweetest, most caring and helpful people I knew! Always smiling, thinking of the positive in situations and in people. I am praying now for your children, that they will end up with family who will take great care of them and love them. I pray you are going to be able to rest in peace dear friend and I know I will see you again one day! You are in my heart, on my mind and thoughts daily. Love to you Erica!

Erica was a very positive, gentle soul. She was always soft spoken and kind. She loved her boys very much and always enjoyed talking about them. She was very proud of her kids. I spoke with her while shopping at Kroger's over the years--it didn't matter how many years it had been since her kids attended preschool, she always remembered me. I will miss her gentle nature, kindness and warm smile.
