*Our deepest sympathy to Erayne and the rest of Ernie's family and friends for our loss of a great man who helped others while he was dealing with his own medical challenges. I am very fortunate to have met Ernie at a Michigan cancer support group several years ago, and to have shared some of our common experiences dealing with multiple myeloma over several years. Ernie's courage, intelligence and will to stay active inspired many of us.*

*I miss you, Ernie.*
