“ To the family,  
I wish to say thank you for sharing Ernie with all of us. I can say that my life is blessed because he is a part of it. I will miss seeing his smile and hearing his laugh, which he did very often. That is what makes him such a great friend. It has been my honor to have worked for him and to have him as a friend. I cannot say enough to take away the pain. I can only say that he will not be forgotten. He lives on through all of us who have been blessed to know him. Again I say thank you for sharing his love with us.
