“ To the entire Gooding family, our hearts are very deeply sadden in the loss of a wonderful, beautiful person who God has called to join his other angels. Marge always had a kind word for whom ever she came in contact with. Her smile will always be remembered...

To the Gooding's I remember your mother and father as part of the original grandparents of our day our parents shared grandchildren Chris and Kwai had the same love and teachings from both sets of grandparents every child should be so blessed I don't remember if there was ever a time that their grandchildren didn't come first they worn their grandchildren on their heart as a badge of honor They always wanted them to be safe and happy your mother and father were good people and it was an honor to have known them it was like having a second set of parents trust in your feelings I know it hurts now believe me with all the loving memories you will overcome and you will remember you come from tough stock you will be OK God bless you and your family Linda Evans-Wood and family
