“ To Nina and Eugene’s Family: We are so grateful to have known such a lovely person in Papa Mason; and the fact that Papa Mason’s stepkiddies, Linay and Benny, love him so much speaks volumes about the type of man and father and husband to Nina he has been. He was a true “BigDad” like our own departed BigDad, Mr Henry Harris, both exemplary members of God who lived and loved children and families as if they were his own family. But don't worry, we know Papa Mason has merely graduated to the status of "Ancestor," so his eternal spirit will live on, in his children, and in those of us whose lives he touched. Papa Mason: Great job you good and faithful servant of God. May your angels wings be to your liking. As part of Linay and Benny’s family, we are eternally grateful to you for the love and kindness that you consistently demonstrated to our family. Our love 💕 always, from the Coley Family, Mrs Essie Harris, and Paul Flippin

In loving memory of my cousin Chucky. Our mothers were sisters. Even though Chucky was older than me he was always one cool and nice cousin. He hung around my older brothers Sandy and Randy so he was like an extra brother. He was there for me when I got married in Detroit in 1980. He volunteered to be my photographer. I hadn't even thought about that but he did. He gave us a beautiful photo album of pictures in a lovely white box. I will always remember his smile and sweet spirit. I will miss seeing him the next time I go home to Detroit. Rest well my dear cousin. Love always, Gina

My cousin Chucky always seemed to come when he was needed without being called. He cut my grass for a couple of years after my father died and he picked up Marchoe, Marshall and 3 of their classmates from school for awhile, when they were in elementary school. I had forgotten about that. Rest my cousin Rest

“ Gene was a good neighbor. He loved being outdoors working in his yard. When I think of him, I picture him mowing his lawn. I have memories of him in the winter plowing his driveway then at times would clear ours off. He loved his family! Gene will be missed.

I am one of Chucky's first cousins. I have loved him always. I am much older than him and what I remember most about him is when his parents would bring him to visit in Alabama he acted as though he had grown up with us. Although I have seen him for several years, we often talked to each other. I will miss those calls. He loved deeply and was willing to meet people on their level. He will really be missed. If we don't learn anything else, I pray we learn to appreciate having the ability to love and not be afraid to show it. A loving cousin
