“ *To my family we have we have lost our matriarch the last repository of our history. Fortunately we had her for 93 years. Her memory will, live on through our memories and our stories of a great and grand lady. Her kindness, love and most all her faith shined through so much sorrow. She gave so much more than she took, knowing that her reward was beyond anything man could provide. She was a dedicated wife, mother, daughter, grandmother, friend...etc....always true to the faith. We loved her but Jehovah loved her more. A faithful servant has made her transition. I know it's difficult but we must celebrate Muh! A life well lived. I hope you got it while the getting was good. i know I did. To my cousin Eva from her Doodle!*
