“ *Carolyn and I met and attended Bagley Elementary School, in the late "50's and early "60's. More than 28 years would pass, before I saw Carolyn again. We reconnected during the summer of 1993, at a resale shop in Royal Oak. We were both so exited to see each other, after so many years. Throughout that summer we would frequently visit , talk on the phone and go to resale shops. I moved to Arizona during the fall of 1993 and Carolyn and I never communicated again. I am deeply saddened to hear of her passing. To all who loved her , I extend my heartfelt condolences .*

“ This is very hard cousin. I love you. You have always been good to me. It’s hard to think of you without thinking of my dad. I always looked up to you. You will always be dear to my heart. Gonna miss you! We laughed, studied God’s word, even prayed together. I’ll never forget you cousin.

“ My dear cousin; Going to miss you so much. We were real tight growing up together. Had many conversations along the way; helped me cope during my wife's passing; you been so good to me over the years, said things to me I wish now I should have listened. Rest in peace, my Cousin.

“ *Sister Anderson I thank God for bringing you into my life 21 years ago. Thank God for those moments when we prayed together. The times when you came to visit me and encouraged me in the Lord. Even though we eventually were miles apart you never forgot about me and always called and check in with me and always ended our calls with powerful prayers. You were truly a friend. I pray God continues to bless your family and comfort their hearts during this time knowing you have ran the course kept the faith and now you are in the arms of our Lord Jesus. I will never forget our times together and I will see you in the rapture some sweet day.*
