“ Roz and family I am so saddened to hear of the loss of Elnora. I will never forget how I met Elnora I had first met her at the cancer treatment center at St Joseph Hospital, then I moved into the complex that she had lived in for 35 years at that time I did not realize who she was then after becoming neighbors and friends it all came back to both of us. I will miss making her apple pies on the Holidays and sitting and talking with her, one beautiful woman that I will always remember RIP my dear friend. Brenda King
