“ Thinking of Evelyn LeDuff who won our Mother's Day pot of flowers at the Pontiac Public Library several years ago. She was a wonderful part of the library board and I miss her kind gentle spirit. I also vividly remember her helping her granddaughter to read in the youth department of the Pontiac Public Library. The beaming smile on Evelyn LeDuff's face, her loving joy in her granddaughter success, touches my heart to this day.

*Evelyn: I'm glad I stopped to talk to you on November 14th. I'm glad I saw the grandkids. I'm glad I saw you throughout that morning and could look into your eyes. I'm glad to have given you a glancing smile remembering the times our paths crossed over the years. I am sorry I will have to see you again in the same place I last saw you and cannot see your eyes but In the same place, I am glad it's where I gave you that last kiss on the cheek and to me that is worth a thousand words. Now you're home. To your family, Keep your head up to remember.

Words alone can't express what Floretta has meant to me personally and to the City of Pontiac , My experience with her go back to the "Old Projects , Wilson Elementary, Eastern Jr. High and Pontiac Central. Her uncompromising commitment to our City produced a fighter that can never be replaced .I remember the many nights that she brought her daughters to the Pontiac City Council meetings and they did their homework at City Hall. The greatest act to honor her memory is to give a little of yourself for the betterment of our great city. Our hearts go out to her family especially her lovely daughter Sonya who has no choice other than to carry her mothers legacy. We ask GOD to give her the strength to carry on". Rest in peace " My Sista " for a life of giving job well done. Mayor Walter Moore & Family
