“ One of the greatest women outside of my mother who I have ever known. She was one of my teachers at Herrington Elementary. Always had a wonderful time when I was in her classroom. When I told my mother about her, I then found out that Herman Glazier, who lived down the street, and whose family is very close to ours, was her brother! So glad she made 100! Thank you Mrs. Seay for always being wonderful!

“ So many Wonderful Memories our family has experienced with our Sister Evergrace Seay! She and our Grannie were Very Good friends and I can remember the visits back and forth to one another's homes. I also want to acknowledge the times that she spent making sure our boys were apart of the annual Pageant times in the church and more. Gone but Never forgotten.
