“ I didn't know yanna at all. Only through social media. Not because she has a bad image for herself or because she had a negative impact on society. But because of the beautiful energy she gave off, the smile she had and most important, how she took care of her daughter. How she loved her mini me❤️ I send all my condolences to her family and loved ones. And keeping prayer over her daughter, that she'll grow up to have a strong heart, mind and soul. Live fully 😊 Yanna #4Ever21

“ I can remember days I was stressed, just needing time to myself as a young mother , & Yanna was always there every time I needed her. Even when I didn't, she loved my baby. I cannot believe such a beautiful soul was taken. I wish it was me who spent more time with you , I feel bad I didn't . Rest peacefully honey .
