My condolences to the family, who I knew along time . She was my first girlfriend
We went to Mc Connell. See her was help babysitting the younger children. Not knowing love, but I really loved this sister. That's been over 50 years ago. I still love you and may God have mercy on your soul. In the mighty name of Jesus. Absent from the body present with the Lord.

“ *Felicia was one of my favorite cousins. We laughed at every meeting or event. My mom and her mom said when we were babies, we looked alike. I loved doing her hair just to see her twist and turn in the chair as she was so tender-headed. I loved ❤️ Felicia and she was a beautiful woman with a beautiful singing voice. I will miss her.*
