“ My Dearest Joyce, I offer my sincere prayers and condolences to you and your family during this difficult time. May God give you strength and comfort your heart. Hold on to the many happy memories that you have shared over the years. In time those tears will turn to laughter as you recall the joy that she has brought to your life. I smile as I think of my Mother in Heaven knowing that she is at peace, in no more pain, and not suffering. I find that looking at photos of her smiling helps me to recall so many happy memories. May you experience the same joy soon. Knowing that your Mom is smiling down on you letting you know that she's alright and you will be too. Love & Hugs my dear friend. Anita Hampton
