“ *That's my Frannie Mae Lol she use to hate when I would call her that. I don't even know where I came up with the name from it just popped out she stared and said shut up foo Lol but I know that only meant she loved it. That was my love may not of seen her every day but she knew if she needed her Jerry "Shawn" (me) I was coming. I love you I will miss you and I will see you again be it in this life via dream or wisdom or in the next life.*

*we will miss your feisty loveable personality, and i will miss having
breakfast with you as you grumble about making it< even though you
were the one that would tell to come and eat with you.
you called me your son and introduced me to people as such, and I
was proud to be at your side when ever I made it over the pond.
love you xxxxxxxxxxxx*

“ *The best grandma in the world Imani left and even in the mist of it all she left great people behind to tell her story, and her beautiful children will pass it on to there children and there children will pass it to there kids. What I have learnd that she went in peace with no more pain. So may she RIP.*

“ *To the most wonderful mother anyone could have had in life, and the most strongest women I know ever, even through death she was a fighter, and all I can say is I want to be just like her even through death. It was a pleasure to take care of you and i would do all over again. I love you and I have always respected you, I cared for just as you have done for me and will see you again. May you RIP*

*Your bady girl
