“ Well Uncle Frank you are no longer suffering. You always made sure that you had something to give me when you came to SC or when my mom visited you. The last thing that you sent me was a pink Detroit hat that I still have. I am sorry that you did not get a chance to meet Bryce. You would have loved him. I Love You and really miss you!

“ *His Journey's Just Begun*

*Don't think of him as gone away-  
his journey's just begun,  
life holds so many facets-  
this earth is only one. . .  
Just think of him as resting  
from the sorrows and the tears  
in a place of warmth and comfort  
where there are no days and years.  
Think how he must be wishing  
that we could know today  
how nothing but our sadness  
can really pass away.  
And think of him as living  
in the hearts of those he touched. . .  
for nothing loved is ever lost-  
and he was loved so much.*

“ *My thoughts and prayers are with you during this time. Please be assured that God is the greatest comforter and is there with you, so let Him wrap you in His arms as you go down this path, and He will lead you into a tranquil state. Also, remember, the Great Comforter also created others to share in your sorrow, so rest assured that, though miles apart, I share with you and pray that God will usher you into His peace.*

*Love and Peace*
