“ *Freddie taught me a lot at work.
I will never forget how he spoke with a gently smile.
We always said "Hi" before we started work and we always said
Goodbye when we left for the night.
That night when he was taken to the hospital I never got to say my
good bye.
With a sadden heart,

Goodbye friend and co-worker
We will miss you!*

“ Friends we all loved Freddie,,,, hope this makes you smile in the midst of his passing... All of my 10 years that I have been at the Palace, Freddie, always called me BOBBY.Even after I corrected him and simply said, it's Buddy, he still has called me "Bobby". After a while, I stopped correcting him. Before games, I would see him and shake his hand and say "hey there Freddie". he would still say "Hey there Bobby".

RIP Freddie....

“ Freddie was so kind to me while my son was in Iraq, he asked everytime he saw me how my son was doing even after he came home. I worked with him 10 years and he always had a smile or joke. He will be missed.

“ *The loss of a parent can be very hard, and while it seems like its too much right now, it will get better :) I've been there and its no fun! Reading others comments about your dad, it sounds like he was a great person, so hold on to the wonderful memories you have of him. You and your family are in my thoughts and prayers.*

“ I have just been informed of his passing way. My heart is sadden. We have not seen each other for years, but I remember his big friendly smile. I can see him in my mind,at school with his hand in his pockets laughing at the jokes his friends would tell. I believe in my heart that he at rest with his saviour.I am sharing your sorrow with sympathy.
