“ *There are some many fond memories that a lot of us, can share when it came to Gary Spears. First and foremost, Gary was an exceptional brother to a lot of the Laymen at Welcome Missionary Baptist Church. A consistent memory that I can recall, it never failed that Gary would take a glimpse at us...to see that our bowtie or necktie was detailed properly. He was certainly a genuine guy and fellow choir ministry member, who took look out for all of us in the choir when it came to dress code including our posture and etiquette in the matter of photography. He exemplify the old saying of working in silence (straightening the ties) and his action spoke in volumes (by lifting, embracing and encouraging mankind. The well known fashion enthusiast Mr. Gary Spears will be certainly missed.*
