“ *We will miss our visits from our cousin! Our last visit from him was the day before he passed. He looked really nice and we told him the same. He was excited to be moving into his new place and shared a desire to get a suit so that he could go to church. As usual before he left we told each other that we loved one another. So glad to have that nice memory. Rest Easy Cuz! Gonna miss your stop by's. 😊*
Sincerely, ♥The Cole & Kellar Family♥
