“HEAD”, You will be sadly and greatly missed. You have brought nothing but true friendship in my life every since I met you in the Newman's in 1988. You were a very positive and supportive friend back then; and you never changed when I ran back in to you in 1999. "Funny how time fly's and slips away from us." You forever had a beautiful smile, kind and encouraging words, and was very supportive. If I needed some information about anything and you didn't have the answer; you would come back and give me the ups and ups on whatever I needed to know. It is not what I call "real friends" out here anymore and I can honestly say "you were one". You were not only respectful, but compassionate of others, and you tried really hard not to carry gossip or put others down that were struggling or had came to an bad end in their life, and you always tried to help people; regardless of what they had done in their past. I really will miss the quiet long talks we shared concerning the kids and living life on life's terms. I am proud to say that you and I share a granddaughter together and you always made sure to alert me if you spoke with her or if she was coming in town. Rest in peace HEAD; and to the family and loved ones, always remember that GOD will see you through in your time of need and he will give you the faith, love, and strength you need right now. R.I.P.
