“ To The Bobo Family,

Wishing You Peace To Bring Comfort And The Courage To Face The Days Ahead And Loving Memories To Forever Hold In Your Hearts.

Eric was a very pleasant & mild mannered man he loved to talk & didn't mind helping others, He was one of the most popular DJ'S on the Eastside of Pontiac, and he could DJ I remember the basement parties at the Bobo's house you could hear the music on the next street everybody knew that it was (The DJ) Eric would be on the mic talking mess and spinning records or playing cassette tapes with that big smile on his face (LOL). Gone but not forgotten. Memories lives in the heart.

“ *To the Bobo Family:*

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious quality of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*
