“ Deepest sympathy to the Humphreys family. Mr. Humphreys was a great man. He is the reason why I am on the Greeters Ministry today as he was a major recruiter for the Greeters Ministry at Welcome Baptist Church. I will miss seeing his smiling face at the church entrance. RIP my friend.

“ To Dorothy (Miss Dot), Gregory and family: There is nothing to say that can actually ease the pain of losing a loved one. The comfort is in knowing that you loved George while he was with you and could return that love. What we, as Christians have above all others is the knowledge that there is a God in Heaven who awaits us with open arms, and we know with a certainty that one day we will all look into the sky and see Jesus as he fulfills his promise. Rejoice, knowing that while George was with you, you showered him with unending love and affection, and that that love and affection was returned in kind. Let this be a lesson to all who read this: The time for affection is now. Love each other as we know God loves us. Then, when the time for grieving comes we will do so in the knowledge that before grief, there was love. May God continue to shower each of you with his many blessings.
