“ *This is the time*

*This is the time to remember all the good things you did.
How you laughed, how you smiled, and the sadness you hid.
You were strong, pretty tough like a dad ought to be.
You were a best friend to some, you were a grandpa to me.
You had a way of putting people at ease.
No storm would ever tear you down,
You were an expert at making a huge smile out of the saddest
frown.
Now when I look up I can imagine you,
And see you cheering up heaven like how only you can do.
I look forward to the day I see you again,
A grandfather, a father, a brother, a genuine friend.
Your probably sitting in a comfy chair at the gates waiting for guest,
To tell all the new souls “now you may rest.”
Rest In Peace*
