*It time like these that it make us realize how important that we have God in our life you never know when our name will be call . it been a long time since I seen George and he was a good man and a good friend to know my wife and I was just talking about George just the other day when he would be going on vacation again in his motor home and it would be nice if we all could get together and take a trip and Sunday we found out that George had past that hit us very hard . we pray that the family will be given the strength to carry on in the lost of a husband and Father. Having faith in God and what he say he will do you will get through and be alright. George has going home and we celebrate his going home and his time that we have known him . No matter what our plans are God has the final plans .Family stay close and love one another our time is coming and hopefully we are ready. Bless you George you going to be miss and Harriet and the family stay strong and no God got you covered praise the lord
