“ Well where can I start, that man was my mentor. When I first came to Ft. Sill he took me in and made me family, that barbecue on the little smoker was something else. I loved my brother and will always have that connection with him. May my brother rest among the sky's Proud Rockets

“ I remember Gerald and I love to talk on our CBs, we love it so much. Krystal and I were married at that time , and we go over there house and play cards, and laugh and talk on the radio, Gerald, got me a job where he worked on s. Blvd at this little plant. I guess, I think about what type of man Gerald was, he was always a cool bro. I looked up to him, like a big bro. Gerald, will be missed. My prayers are with the family, see you in the new order bro. Butch!
