“ Well Dad you have gone but I will forever miss you. I'm lost for words right now but I do know God knows best. I'll hold close to my heart those memories that we shared and all the laughs. We must remember that Gods perfect will was done. We might not understand why things happen but I Have learned to trust Gods decision and know that instead of falling away from him we must draw closer. I remember those days that you listened to Apostle Washington and taught us to reverence God. I love You and Gods perfect will was Done. Thank You Jesus for the seventy three years we shared.
