“ I just learned of Glenda's passing and it saddens me. She and I were school mates from elementary school through high school. Glenda was always kind and gentle. When she laughed, everybody laughed with her even when they didn't know what she was laughing about. Thank you Glenda for being apart of my life and may you rest in peace.

“ Glenda and I worked at Oakland Training Institute starting in 1972. She was a wonderful friend, she taught me how to crochet with infinite patience. Her Mom used to make chicken salad for our lunch. It was delicious!

She had one of the best chuckles ever. Her eyes would light up and then it would erupt taking everyone within earshot with her.

A part of Glenda will remain with me forever. I value her memory and feel that she is at peace.

“ *Glenda was my lunch buddy, card partner, mentor, and friend from my first day at Oakland Schools until the day she retired. We worked side by side for many years and she will forever have a place in my heart.*

I was pregnant when I hired in she graciously showed me the ropes and always made sure I knew where the food was! I'll never forget how she liked to play cards with those huge 5x8.5" cards!

"GP" will be sorely missed. R.I.P. my neighbor, my friend.

“ Dear Price Family and Friends,
I am so sorry to hear of the loss of your dear loved one. Please accept my sincere condolences. I too have lost several loved ones in death, and the pain is tremendous, even with the passage of time. Thankfully, I have found relief in knowing that "The Most High God" is the "Hearer of Prayer", and a source of tremendous comfort in times of grief and distress according to Psalms 83:18, and Psalms 65:2. Please be assured , death will soon be "swallowed up forever" and we will have the opportunity to see our dead loved ones again, as promised at John 5:28.29 and Isaiah 25:8. My family and I wish you and yours peace.
