“ "A classy lady turns heads with all her clothes on." Glory was always sharp, especially with the hats that matched her attire. Her direct tone of voice and the several times she knocked on my door; I will never forget. We were certainly colleagues when it came to babysitting a mutual family namely "Quincy" she would always say, "Victor it's your turn" we would laugh. She was aware of my employment tenure, and when she made her grand entrance, I would acknowledge her as the "shot caller". Her impact about my educational goals is something that I never would forget. Glory Bouie was a pillar to me that gave me insight to become a graduate of Oakland University. The exact words she stated was, "Boy you got a big head with knowledge, I knew you would make Mrs. Bonds (my beloved mother) and I happy. Her love and legacy, I will never forget.

I'm really gonna miss you. You were such a ray of sun shine. Glory was a straight shooter with a heart of gold. She was a woman with undisputed class. She was also a comedian in her own right. Oh, before she leave you, she gonna make you laugh! I loved her so much. Good memories are forever. Rest peacefully in paradise my friend. My sincere condolences to the family. May God grant you comfort and peace.
