“ Hey, Uncle Greg.... Thank you for everything you have done for the children and I . I will truly miss your smile and the comfort you gave me. You and Auntie Sherrie were there in some of my hardest times. But you keep me going ,taught me how to survive and kept me tough. Because of y'all I am the woman I am today. Thank you for being there from my first born and the last born Kross.(You and Auntie Sherrie in the waiting delivery waiting room. If I could hear y'all I was ok.) You are the best uncle a gal could ever ask for.And let's not forget " what kids would say That's my uncle Greg"!!! As the kids would say.... Or if untie was getting on your nerves the kids would say alright "Sherrie Miller" . You will never know how much they love you and miss you. Best Great uncle in the world to the kids.We will forever cherish the memories you have created for us. Thank you for driving with me to Texas. It was like you knew. My true guardian angel. I'm gone miss you in you overalls a straw hay hat of yours. Auntie Sherrie thank you for loving and taking care of uncle Greg As he would say:" that's my Cheryl". I'm glad I got to hug you one last time ... you brought me that comfort back knowing you were here..A man of his word and man of his doings. We LOVE YOU
