“ *How sweet the memories! I can remember the many times I was at your home and enjoyed the pleasure of your company along with so many great dinners and barbeques!! I was treated as one of the family and I'll never forget those hours of 3-way phone conversations we had about all of the current events!!! It all was truly fun and I shall miss you dearly.*

“ You never said "I'm leaving"  
You never said goodbye  
You were gone before I knew it,  
And only God knew why

A million times I needed you,  
A million times I cried  
If Love alone could have saved you,  
You never would have died

In Life I loved you dearly  
In death I love you still  
In my heart you hold a place,  
That no one could ever fill

It broke my heart to lose you,  
But you didn't go alone  
For part of me went with you,  
The day God took you home.

Auntie Grenada, I love you more than words can ever say. To say  
that I'm going to miss you would be an understatement you will  
forever be in heart.

“ You will be truly missed. It just won't be the same without you. Thank you for being a part of your granddaughter's life (Ke'Yanni). You always kept her whenever me and Kevisi needed you, we never worried when she came over she was in good care. You always had her smelling good and the things you bought for her were always unique and different. Thank you for being my mother in law you always showed me love and kindness. Love Sonia

“ Granny,  
Friday March 26,2010 was the day I found out that you passed. Friday March 26,2010 was also my birthday. Honestly it was the hardest day of my life. Yes I've been crying and yes I've missed out on sleep only to think that I will never get to see you again but as I think about your smile and some of the conversations we've had I too can smile. Thank God that the last time I saw you I got the chance to say I loved you. Because I truly do. It's going to be hard but I know you want me and the family to continue on with our lives, so for you I will do just that. You'll always be remembered. I love you.

“ To the family please accept my sincere sympathy as I share in your loss. Grenada was a strong woman and surely ws loved by those who came to know her. I appreciate the hospitality that she has shown me over the years and how she shared her children by sending them to church. She will be missed by all of us, a void which only God can fill. Take courage and keep the faith. Keep hope alive for someone else as she would have wanted you to.
