“ Harold, you were 1 of my oldest friend, when i 1st moved across the street from you, You came right over to me and ask me to go walk the hood with you!! That meant so much to me because I didn't know anyone when I first moved to Pontiac. I know I haven't seen you in a while but when we did run across each other it was like it was still back in the projects. You will be surely missed and may God bless your family. Your friend Aelonn!! Aka Pops!
