My condolences to Sheila, Richard and the rest of Lorenzo's family. He was a classmate of ours in South Point Ohio and so many of of our fond memories are of his on the gridiron. I remember him as one of the nicest guys in our class. Several if our Class of '66 members have expressed their sorrow when they learned of his passing. We truly have missed out on not being able to have been in touch w/him and Sheila over the years. This I can tell from all the good things said of the man he became. Sharon Gillum Firebaugh
