“ To the Family of Mr. Harvie Musgraves,
During this time of difficulty, may you find comfort by considering the finest basis of encouragement, God's Word the Bible. May you find comfort by considering Psalms 146:5,9 which assures us that God has loving concern for all who experience the lost of a loved one. Also, 2 Corinthians 1:3,4 which truly shows that God is the one who can and will comfort us during stressful times. My sincere condolences to the Family of Mr. Harvie Musgraves.

“ To a great uncle, I am so glad that we got an opportunity to connect after many years. You remembered EVERYTHING ABOUT US as kids growing up as your brother Johnnys children. Even the times when I wore my baseballcap almost down on my eyes as a kid because I wanted to be like my Dad. You carried the strongest sense of Musgraves pride and what it meant to be a strong man, father, husband, brother and friend. And not to mention one of the baseball greats=The Musgraves Boys. The legendary stories I can recall my Dad telling me about you all growing up playing baseball along the levees of the Mississippi River and how many Professional Negro League players you all made look amateur when they came through Arkansaa playing on their way to the big city to play games. Nobody could touch THE MUSGRAVES BOYS. LOVE YOU UNC

“ Sis. Musgraves & Family, you have my deepest condolences on the passing of Elder Musgraves. I'm still in shock! I remember Elder Musgraves as being the person my Dad (late Pastor Mentor) could always count on when he pastored at Pontiac Southside. Elder Musgraves always had a great demeanor and was a snazzy dresser to:). All in all, a wonderful person that will be greatly missed! May you find comfort in God's promise in Titus 2:13! What a glorious day it will be when Jesus returns!---Much love from Roycelynn Mentor-Marcel

“ *I Have an Abundance of Fond Memories. I've Prayed and Continue To Pray for His Smooth Transition And To Be Welcomed Home By Our Boundless Ancestors. I've Known Great Men in My Life and This Man My Beloved Uncle is One of Them. A Man of Few Words But Felt Deeply at Every Turn. Always a Straight Shooter and To the Point. My Lessons Taught to Me By Him were early on in Life for Me. Respect for My Elders, small simple Lessons that didn't Resonate until Later in Life like Sometimes Silence Is More Powerful than any weapon. I could Go On and On but I know you all Get my Point. No More Suffering your Work here Is Done I'm Honored And So Very Proud The Most High Allowed Me To Have Such a Great Man as One of My Life Guides and Uncle. I Loved You from Day One and Always. Even When you had to get tough With Me cause its Part of The Reason I'm The Man I am Today. Safe Journey Uncle Harvie.*
