“ I just recently found out that they threw away my grandmothers (hazel) ashes, claiming the funeral home gave them paper & cigarette ashes. & to have these same people (kenyadda & her mother) receive special shout outs during this eulogy that was written for her. It's a special place in hell for them & I disowne them from being related to me. I love this woman, I miss her everyday. & now all I have is memories bcus of selfish relatives. I pray she finds peace ☐

“ Regina and Kim my heart goes out to you both. I was just told about Yvonne and I started crying, I had to shake that and start thinking about the good times we all shared on Paddock as kids. Yvonne is at rest with Willie now. I'm praying the God strengthen you all. Please call me. Love You with all my heart.
