“ To the entire Bryant and Connolly Family...

It has been 58 years since I first met this beautiful family on Colorado

St., My family honored and respected the whole family in many ways including their family bond love and respect we shared as neighbors who lived a few doors over from the Bryants. Ozell & Archie Lee formed a very close relationship and a life long friendship as their extended family. I send on behalf of the Lees and Fraziers, our deepest sympathy to NZ, Marion, Eugene, Sungura and the family, Our support and Condolences with love.
