“ *Helen was the best. I took care of her for a couple years and you could always count on her for a smile...she tried her best in everything she did, she made me so proud of her. She loved music and dancing...Beyonce was her favorite, she saw her in concert in tv and we had to bring her lunch to her that day because she wouldn't leave the tv. She was loving and loyal and fierce...she saw another resident yelling at me and i remember she tried to defend me. Helen was my friend, i miss her very much. I wish i could make it to say my final goodbye, but my heart goes out to her family and loved ones.*
