“ This young man right here to me a true child of God he was like a big brother to me even though we live close by and we didn't see each other that much but when we did it's always been with happiness and smile fun joking making plans for the upcoming future always even this song was supposed to got together and go fishing like old times sake but in my heart I still will happen even though you going to enjoy the great life it's the creator of all in Jesus name
