“ *Henry was one of the most loving and giving people that I have ever had the pleasure of knowing (Friend) there isn't just one memory there's a plethora of them but if I had to pick just one it would be the one where he set up plans on my Birthday one year and took me to a popular pizza pie place down town Detroit then to the casino he also gave me money to play games unfortunately I was only interested in the food bar but that was one of my best and most cherished Birthdays and memories of him but Henry was always a great friend 43 years of friendship and I am going to miss you Henry Love you Friend always and forever until we meet again my friend*
