“*Preston Thomas, I was so sad to learn of your departure. My sisters were your High School classmates and I can remember you coming to our house when I was a kid and that you were a very nice guy. When you ran into my Mother and I some 30 years later you you remembered us both and she remembered you very fondly. I will honestly say that your integrity on the bench was above reproach as you refused to bow to City Politics, always remaining fair minded and impartial as every Judge is supposed to do and you set a very high standard in doing so. I wish I could have known you better over the years, good friends are hard to come by. Thank you for all you did for your City and it's People. You will Always be an example of what EVERY Judge should want to be.
Bon' Voyage...*

“ This is his Grandson Preston Thomas |||. I'm currently in college right now and the more I think, the more I realize how much of an honorable life he must have lived. I'm sure his life was not perfect and there may have been some things he could have done better. He definitely said some wise words growing up. So I'm sure his in heaven looking down from heaven knowing and seeing how proud he is of my accomplishments

“ I had to go before judge Thomas. I thought he was going hard on me. But he really was just doing his job and come to find out he literally let me walk with 6months probation which was nothing and he told his court recorder he appreciated me looking good an professional. I still cry because I didn't get to tell him thank you for appreciating me and treating me as a human being when white judge's do all they can to tear you down.

“ It is with sincere sadness that we lay to rest our dear brother who has gone on to Omega Chapter. Our #7, from the line of the “Circle of Eight” of Omega Psi Phi, Omicron Alpha Alpha Chapter in Pontiac, Michigan. We do now once again grieve as another chain of our link has been broken, following the death of our #8, McKinley “Jab” Jones. It was a pleasure having come to be a part of your life’s journey in understanding that “Friendship Is Essential To The Soul,” as we “Saw It Through” from “Mother To Son.” We pondered and lived our “Omega Creed,” on to “Invictus.” May you rest in power with pain no more, as we lift up your entire family in knowing that God is able to lift a bowed down head from the hurt of losing a valued loved one such as you. May every heart broken be fixed by the constant Love, Comfort, and Care of Jesus the Christ.

We shall meet again in that great bye and bye on that gettin up morning, where a tear will shed no more.

“ It is with heartfelt sympathy that I write these words to the Hon. Preston G.Thomas' family. I had the pleasure of practicing in front of Judge Thomas for many years, as a prosecutor and a defense attorney. He was always gracious, consistent and fair. I loved the fact that he could be very serious about a case and then crack a joke about me in the next breath. He kept me on my toes at all times, and he will truly be missed. May his fond memories comfort family, 50th District Court staff, friends, and colleagues. God Bless.

“ Words cannot begin to express the deep sadness that I felt upon learning of the passing of The Honorable Preston G. Thomas. I have known Judge Thomas for 36 years, first meeting him when he was a City Attorney with the City of Pontiac and I was a young clerk starting out my career with the 50th District Court in 1984. Judge Thomas was truly a man of honesty, integrity, decency and humor; a kind and honorable man that I had the pleasure of knowing and working with. I will remember the many wonderful conversations that we had over the years; the serious conversations and the humorous ones where we talked about life, people and life experiences in general. For some reason for years, he would always call me "Angela". I would answer and laugh because it was funny to me. I once asked him why did he always call me "Angela". He answered, I know you're Alicia, but you just look like "Angela". Of course, I would laugh and when we would talk and he would say "Alicia", I would often correct him and say, "You mean Angela, don't you?" He would just laugh and say "You're not going to let me forget that; are you?" I would answer "No, I can't, Judge. I've got to keep reminding you of it every now and then." He was always so easy to joke with. I always said to Judge Thomas that he was my "G.Q. Judge"; always suave, sophisticated and such a sharp dresser as long as I've known him. He would laugh and say, "Well, what can I say?" I would tell him that that's how we Leos rolled; driving the fancy cars and wearing the sharp clothing. Judge Thomas was no-nonsense and had no problem in telling it like it was. I had no idea my last conversation with him a few months ago in his chambers would be my last.

It was truly an honor, a privilege and a blessing to have worked with him and to have known him. I am truly going to miss Judge Thomas as will the entire 50th District Court Family as well as many of the attorneys and prosecutors that appeared before him. His smile, his wonderful conversations, his sense of humor and his deep thoughtful conversations will be something that I will never forget. My heart is truly heavy.

To Mrs. Thomas and the entire Thomas Family, Wisetta Neill, my sister court recorder and Judge Thomas' Official Court Recorder, Ronald Gracey, Sr. and Archie Bell, Judge Thomas' Court Officers; all three who worked tirelessly and honorably for Judge Thomas; you all are in my prayers. God is able and I pray to all of you and for our 50th District Court Family as this is a loss that we have to wrap our heads around; however, we know that Judge Thomas is with God. I pray to the family to lean and trust in the Lord for strength and understanding. Judge Thomas ran his race with dignity and with honor and I take comfort in knowing and believing that he is at peace and in the comfort of God's loving arms. May God bless and keep all of you and our 50th District Court Family in His care and to comfort each and every one of us during this hour of bereavement. Judge Thomas will never be forgotten. Thank you for the memories, my G.Q. Judge!! I love you and I'm going to miss you!!

“ To My family we are sending our prayers and love you in this time of loss we are praying Gods comfort and strength for our family that he will bring you the peace and comfort that only he can give in closing want to share this with you its call:

SAFELY HOME

*I am home in heaven, dear ones;
All's so happy, all so bright!
There's perfect joy and beauty
In this everlasting light.*

*All the pain and grief are over,
Every restless tossing passed;
I am now at peace forever,
Safely home in heaven at last.*

*Did you wonder I so calmly
Trode the Valley of the Shade?
Oh! but Jesus' love illumined
Every dark and fearful glade.*

*And He came Himself to meet me
On that way so hard to tread;
And with Jesus' arm to lean on,
Could I have one doubt or dread?*

*Then you must not grieve so sorely,
For I love you dearly still;
Try to look beyond earth's shadows,
Pray to trust our Father's will.*

*There is work still waiting for you,
So you must not idle stand;*

*Do your work while life remaineth —
You shall rest in Jesus' land.*

*When that work is all completed,
He will gently call you home;
Oh, the rapture of the meeting!
Oh, the joy to see you come!*

“*Mr. Thomas was my neighbor for 30 yrs, he was like a father figure giving sound advice & wisdom. A quiet & stern man and caring man who looked out for the young kids in the neighborhood including my kids. Thank you Mr. Thomas for being the father to Rivers Edge Subdivision. Much Love to you. My deepest condolences to Gloria, the kids, grandkids and great grandkids.*
