“ I've told many, that I do not remember my life without Mr. Hubert Price. Growing up in Pontiac he always had a presence and commitment to the city. I remember when I first graduated from college and wanted to move to D.C. to pursue my career in Health Policy. Mr. Price was one of my biggest supporters. He wrote me my first professional letter of recommendation to take with me to D.C. He opened the doors that allowed me to meet directly with my state representative and senator once I move to D.C. to get my 2nd and 3rd professional recommendations. We all know Mr. Price had strong networking presences, and he told me "You have go get on the grid". Well, I had a job within in a month thanks to Mr. Price. When I decided to relocate and move back to Pontiac, it was with the thoughts of my community mentors that helped me in my decision making. We were raised to support or community, do our civil duty and exercise our rights. Mr. Price hired me as a consultant upon my return to assist him with new company and vision as I found my new path. Eventually I found my place at Common Ground and low and behold, a few years into my employment who becomes one our the Advisory Board members? Mr. Price. Thank you for the lessons, I enjoyed working along side of you on countless campaigns, yours, Mayor Phillips, and I could go on. I've heard a few stories about the "Rat Pack" and I will carry these memories forward. Rest in Heaven

“ Hubert was my mentor as a freshman legislator in the Michigan House of Representatives in 1997. I was always smiling with his love of words that were stretching the mind and forcing your creative juices to flow. Eclectic was his mode of daily operation and he treated me like his little brother which I was so thankful for in my first term. He loved his community of Pontiac and was a statesman as we worked through the Family Independence Budget with late nights of pizza and laughter. Thanks for sharing him and blessings as you mourn his loss and celebrate his life. Sincerely, Mark C. Jansen

“ *My condolences to friends and family of Hubert Price. I had the honor and privilege of working with Hubert during my time as a staff person in the MI House of Representatives. I always found Hubert to be big of heart, hope and love for the people of Pontiac. He was not shy about telling you so either. I worked with him again many times over the years even after that experience. And each time it was on a project he was involved with Pontiac. He was a wonderful public servant whether as a house member or private citizen. I will not soon forget his tenacity and his laugh. May memories such as this be with you always.* ”

Rest in Peace Hubert. Pontiac has lost a true Champion for Progress. Hubert and I go back a long way, Almost to the beginning when he and I were children on Lull Street. This picture taken at the "Mill Dam" (Beaudette Park) in 1950 (Hubert says we were 3 years old, shows Hubert at the tricycle, Ray Lidell on the ground, and Robert in the playpen with his mother attending. Carolyn and I go back a long way also...we were old friends of the dance floor. My sincere sympathy and condolences to the family and ALL of Pontiac. God Bless you all. Ray Lidell. Hampton VA

“ My heart is heavy, it feels like I have lost another brother. I met Hubert in the early 70s. I worked on various campaigns and committees with Hubert. He loved the city of Pontiac and was always knowledgeable about it history and people in it. His goal was always to improve the city of Pontiac. When you give Hubert a Microphone he always had informative information to share weather you wanted to hear about it or not. We loved and respected him and he will truly be missed. My deepest sympathy to Carolyn, his family and friends in the loss of this wonderful man. He welcomed me to this city and helped me to feel part of it. He will truly be missed. Rest in Peace my big brother

“ To Carolyn and all my cousins who knew and loved Hubert Junior, my heart and spirit are with you. I always had much regard and affection for Hubert and will miss seeing him on my returns to Pontiac. I always considered him a true Son of Pontiac and one who did much to advance just causes not only for people of color but for all people. Hubert always said he want to trace our family history back to the ship but God had different plans.

I am sure you will miss Hubert Jr but just look to Him who is able and willing to give you that peace that surpasses all understanding, Jesus The Christ.

I will cherish the memories celebrating your victories with MoNique at The Main Event inside of the Pontiac Silver Dome. And your home cooking made especially for us girls was absolutely delicious! “ *I moved to Michigan in 1999 to lead the state human services agency in a Republican administration. Hubert was one of the first legislators I talked to. While we represented different parties, we bonded and spent over an hour talking in that first meeting. We didn't always agree on issues, but I very much respected his opinion and experiences and talked to him regularly, sometimes asking for advice. He was passionate and caring. I truly feel privileged to have had the opportunity to know and work with Hubert. I am saddened to hear of his passing and send my deepest condolences to his family and friends.*
