“ I have so many fond memories of Papoose. We grew up on Bloomfield Street riding bikes, playing ball, etc.

Papoose loved working on cars, laughing and having fun. In our early teens Papoose had a tape recorder hidden on him and he would ask me and Steve questions about each other. When he finished he let us hear what was said. I couldn't do anything but laugh at what he did. He will truly be missed.

May God continue to comfort the Ealy family and friends.

“ I only have fond memories of "Papoose" (as we fondly called him).

Many of have a good and bad side to ourselves, but I never recall witnessing the bad side of Papoose. He was always kind--always had a smile on his face, each time I saw him.

I will miss our years together growing up on Bloomfield, but I know he is in a better place now.

God bless his family as they experience this challenging time.
