“ *I love you Granny and will miss you dearly. I know you told us not to cry or you would jump out your casket and slap the shit out of us but I can't help it. you raised me to be a smart independent woman. you kept me so happy everytime I heard your voice I always smiled, when I used to walk to your house every morning when I stayed around the corner from your house Granny it's never going to be the same, but I know you in peace smiling down on us telling me you happy so I'm ok with that my heart going to heal in time , but I will always think of you Granny tell my mom I said I miss her and until we meet again love you Granny from Tereia!!
