“ Ms. I... Had class and was very strong willed. She attended classy events and brought laughs to the table. Her smile was enough to brighten a room... She has fought a hard battle for many years now and accept it or not.. She won. We are the ones who lost, not Ms. I. As for me... I will keep the memories of her laughing... Having a drink... Talking with that spunk to keep the laughs going. Rest in peace Ms. I... You will be deeply missed by many.
