I just found out that Ikey passed. I am so very sorry to hear it. I wish I would have known, because I certainly would have been there at the funeral. We knew each other as kids and caught up when we would run into each other as adults. He was always so kind and had a smile for you. I am just shocked and heart broken... Love and prayers for all the family...

“ My best friend for 35 years. Never thought this day would come.
Was always that person that gave you your flowers while you were
on earth. He looked out for everyone and loved everyone. I just pray
that I was good as a friend as you were to me. You'll forever be in
my heart.
