*Father in heaven, let your grace be sufficient for this family during their mourning period. Lord, knowing that they have to face each day without their child, is tough. But this is the confidence that they have, their child is in your presence where there is no sorrow or mourning. Help them to grieve as true believers of Jesus Christ, for we know that this is not the end they shall see each other in heaven. When they go through difficult times, remind them of the good times we had with their child and the joy that he brought in their lives. I honor you highly, for you are a loving Father. In Jesus' name, I believe and pray. Amen.*
